President Update

Get leaner with the budget. \$16,500 income next year. Gives total expenses of \$16,500. Add hospitality for renaissance awards. Need to find \$1000, as we are running in a deficit. Next year will go back to a loan program, and not 100% gift. We have taken care of Casa very handsomely over the last few years. Programs are well taken care of. As of right now no 100% gifts. Up to 25% covered next year. This year alone gifted around \$10k. Propose budget tonight will vote next month. Senior Mugs we want to do away with, cut athletic trainer.

Ov/Fair Oaks big day of service May 6th in AG department. Starts at Sunrise church 7:30-9am 45 projects within the community. Divided up. Clean-up & repair barn & install new sign.

Memberships

Sold 93 packages; 163 members = \$5,518 We really need to gain traction and support of teachers and admin to help sell these. Need a big push for the coming year. Coaches allow us to present now, but meetings are going in one ear out the other. Pricing stays the same. PTSO & Boosters included in the same package.

Admin Update

Super excited Principal Baker is back. Freshman reg tonight. Huge success. 240 on count, hopeful for more students. Student schedules ready before summer break. Senior forum next Thursday. Senior awards looking for help with cookies and waters. Folsom Community Center.

AD Corner

Finally nice weather. A lot of softball and baseball games coming up. Realignment is set. We are remaining in Golden Empire: Capital Christian (except baseball & football), Dixon, El Camino, Natomas, Rio Linda, Sutter & Woodland. Fall of 2024 to take effect. Also talk to move to a conference model.

Andre Track/Cross Country: Whole team 6 meets in. Biggest team since before covid over 60 students. Won first league meet. Second postponed due to weather. Biggest thing so far Tao Camacho selected to qualify for to nation meets Stanford, and union meet. First time athlete from Casa got into those meets. Boys on track to win. Hope to have league champ #7. A lot of interest from incoming freshman. Will add a link to Boosters on his website.
