

AI Toledo Memorial Scholarship Fund Application

(Two annual \$500 grants awarded to one senior male
and one senior female student athlete)

Allen Toledo was a teacher and coach for multiple sports and served as Athletic Director for 35 years. Athletic scholarships made going to college a reality for him. Mr. Toledo had the gift of connecting to the lives of others, whether it be the players on the teams he coached, the students in his classroom, his colleagues, his friends, or his family. He passed away on April 25, 2020. His friends and family have established this scholarship in his memory so that student athletes who meet the qualifications can have some additional funds to assist with their college expenses.
